RAJESH BINDAL, J.

The plaintiff is in revision before this Court against the order passed by learned Civil Judge (Senior Division), Moga whereby evidence of the plaintiff was closed by order of the Court.

The suit is pending for the last about one decade. The issues were framed on September 21, 1999. Thereafter, even on the request of petitioner/plaintiff, one additional issue was framed on March 16, 2004 but inspite of the fact that a number of opportunities have been availed of by the petitioner, he was not able to complete his evidence. Learned trial Court did not find favour with the prayer made by the petitioner/plaintiff for permitting him further opportunity for completing his evidence.

Before this Court, the only prayer made is that in case one opportunity is granted, petitioner will complete his entire evidence on the date to be fixed. However, seeing the conduct of the petitioner/plaintiff, who could not complete his evidence in the last 8 years, I do not find any justification for grant of any further opportunity to the petitioner/plaintiff.

Accordingly, the present petition is dismissed.
